ABOUT US

Sabree Software Services, Inc. (S3) is an 8(a) Certified, Women Owned Small Business (WOSB) specializing in the building of innovative, custom, enterprise software applications and systems for federal agencies, leveraging agile processes, with an emphasis on Cloud Computing and Migration.

We understand that we are only as strong as our team so, we work extremely hard to attract and retain top-quality engineers. We target engineers who value and are excited about their professional development and growth so we can invest in them. S3 continuously works to foster an employee-centric organization where our team members feel respected, valued and appreciated. Team members are encouraged to embrace opportunities to develop and grow in the company. And our team members feel critical to the organization's success and work diligently to deliver its vision. In keeping our team members happy, we are able to successfully offer our customers quality, innovative solutions in a timely fashion.
